TERM & CONDITIONS

APPLICANT'S RESPONSIBILITIES:

I hereby request electric and/or water service to the premises described on the prior page and agree to pay the applicable rates and abide by the resolutions, ordinances, rules and regulations of the District. I owe no monies to the District either directly or indirectly under the above name or any other name in which arrangements for payment in full have not been made.

I agree that the District is not responsible for damage caused by or resulting from conditions or circumstances beyond its control including, but not limited to, storms, lightning, floods, fires, vandalism, discontinuance of power from the District's supplier or wiring or plumbing on the premises not owned by the District or for damage caused by or resulting from disconnection of services for any legal reason.

I understand that I am responsible for all utility bills until such time as I notify the District to discontinue utility service in my name. Upon termination of service, the District will return any deposit less the amount of any charge remaining unpaid. In the event that collection proceedings are commenced to collect any unpaid charges, I agree to pay all court costs and a fair and reasonable attorney's fee.

I further understand that monthly water billings for any existing water service, once activated, are to continue in an owner's name or a qualified renter or tenant's name.

The District reserves the right to refuse service or discontinue service to any customer if all of the above conditions are not accepted and required information is not furnished; if the customer misrepresents the conditions for which service is being requested; or if it is learned at any time that the transfer of service has been requested in order to avoid payment of outstanding charges on the above account.

IMPORTANT: At any time freezing weather may occur, all water pipes and appliances should be drained to prevent damage to your property. The District accepts no liability for such damages when its service to your property has been disconnected for any legal reason.

APPLICATION REQUIREMENTS:

- Owners shall provide proof of ownership (i.e., copy of closing papers; copy of deed; any document from escrow papers). The service will not be transferred until the application and ownership documents are received and processed by TDPUD (*minimum 1-3 business days*).
- Renters must furnish a copy of their rental agreement. The service will not be transferred until the application and rental agreements are received and processed by TDPUD (*minimum 1-3 business days*).
- Bank draft or credit card autopay program is an optional program for easy payment of your utility bill. (Details page 6)
- The TDPUD has two different rates for residential electric customers. See page 6 for explanation.

DEPOSIT REQUIREMENTS:

- TDPUD will run a credit check with a qualified credit reporting agency on all customers to determine if a deposit will be required. This credit check is an inquiry only and will not adversely affect the consumer's credit rating. Determination for deposit requirements is based on the consumer's over-all credit history and the credit reporting agency's evaluation of the potential for credit risk. If the credit qualifies, the deposit is waived. No signature is required for this credit check to be run as it is not a credit report and does not adversely affect the consumer's credit rating. This same agency is used to validate identity. A deposit is equal to twice the highest electric/water bill in the last 24 months
- New customers who apply for bank draft autopay may be eligible for waiver of the deposit. These customers must remain on bank draft autopay for a minimum 24 months. If a returned item event occurs during that 24 month period, a deposit will be required and will automatically be added to the account.
- Deposits will be retained for a minimum of 24 months. The deposit and interest will be credited to the customer's account when the customer establishes good credit with the District, or when the customer closes the account.

ELECTRIC RESIDENTIAL RATES:

Truckee Donner Public Utility District provides two residential electrical rates. The permanent resident rate (P10) is billed to those customers who occupy their homes on a full-time basis. The non-permanent resident rate (S10) is billed to those customers who occupy their homes on a part time basis for vacations, weekends, ski leases, etc. The current rates can be found on the District website at www.tdpud.org. The following is a list of criteria used to determine a customer's qualification for our permanent resident rate. Providing this information will assist us in determining your proper rate. Qualification for the permanent resident rate is at the District's discretion and will be based on a combination of items from the below list.

1. Homeowner's exemption on the Truckee property per the Nevada/Placer County property tax record.
2. Loan documents and/or homeowner's insurance records indicating the Truckee residence as the primary residence.
3. A local mailing address and daytime, evening and/or work phone numbers within the Truckee area.
4. California driver's license, and vehicle registration with local address.
5. Voter registration in Nevada/Placer County showing the Truckee address in the TDPUD area.
6. Employment in the Truckee area and/or Attendance of dependents at a local primary or secondary school.
7. Information from District records

CREDIT CARD or BANK DRAFT AUTOPAY AGREEMENT:

By signing the bank draft autopay agreement (page 3) or signing up for credit card autopay online through My Account/Smarthub, you will be authorizing Truckee Donner PUD to automatically draft your checking/savings bank account or charge your credit card account each month for payment of your electric and/or water charges. You will continue to receive your monthly statement. Your bank will debit your checking account or initiate a debit entry to your credit card account on the *due date of the bill* for the exact amount of the charges and transfer that amount to the Truckee Donner PUD.

The authorization will remain in full force and effect until Truckee Donner PUD has received mail, fax or e-mail notification of its termination in such time and in such manner as to afford Truckee Donner PUD and the financial institution entered above opportunity to act on it. Manage your autopay account via the Smarthub app or online at tdpud.org.

THIRD PARTY NOTIFICATION PROGRAM:

Truckee Donner PUD offers a third party notification program which can help prevent an unexpected disconnection of your electric/water service by assigning a third party to be notified in the event your account is in arrears. This program is designed to help customers who intend to pay their bills, but due to circumstances beyond their control, are unable to do so.

Under this program, when delinquent and cutoff notices are mailed to you, a copy of the notices will also be mailed to your designated third party. This person can then remind you to pay the bill and avoid a possible disconnection of the electric/water service.

Though designed to help the sick, elderly, or dependent adults, the program is open to anyone. The designated third party is under no obligation to pay the bill or to assume responsibility for its payment. Unless they have been authorized by you, this person will not be given further information on the account beyond this notification, nor will they be able to make arrangements or changes to the account. This person is notified so that he or she is aware of the status of the electric/water bill and can assist you as needed.

For customers who request the third party notification, the attached application form must be completed and signed by you and the person selected to receive the notification. The third party does not need to be a customer of Truckee Donner PUD.

Phone numbers and e-mail addresses are important. Should a 48 Hour Notice of Termination be issued, the District will make a courtesy phone call and/or send an e-mail to you and to your designee.
