Last Name:	Email Address:
Phone Number:	TDPUD Account Number:

Property Information

Primary Heat Fuel Source <i>(Circle one)</i> :	Natural Gas, Electric, Propane, Wood, other
Water Heating Fuel Source <i>(Circle one)</i> :	Natural Gas, Electric, Propane, Wood, other

Equipment Information

Measure Name	Purchase/Install Cost	Incentive
Building Envelope Air Leak Test ¹		Up to \$300 ea. For before and after repairs
Central System Duct Leakage Test ¹		Up to \$300 ea. For before and after repairs
Misc. Weatherization Improvements ²		50% of cost up to \$100
Building Envelope Mitigation ³		75% up to \$750 100% up to \$1,000 <i>(with test in/out)</i>
Air Duct Mitigation ³		75% up to \$750 100% up to \$1,000 <i>(with test in/out)</i>
Attic Insulation (\geq R-44) ⁴		\$0.75 / ft ² (up to \$1,000 insulation per home)
Wall Insulation ($>$ Code) ⁴		\$0.70 / ft ² (up to \$1,000 insulation per home)
Floor Insulation (\geq R-25) ⁴		\$0.70 / ft ² (up to \$1,000 insulation per home)
Efficient Windows ^{5,6}		\$3.50 per sq. ft.

Equipment & Services Eligibility

1. Leakage tests (otherwise known as "Duct Blasting" or "Blower-Door Testing" measure the "leakiness" of a residence and/or its duct work in Air Changes per Hour (ACH). Testing before and after helps to identify issues and confirm that they are mitigated. Tests are required to qualify for the full rebate(s).
2. Eligible mitigations include weatherstripping, door-strips, window insulation, and wall-plate gaskets.
3. Eligible mitigations include repairs of exterior wall penetrations, repairs to leaky ductwork, or other issues identified via envelope and/or duct leakage tests. Eligible for 100% of costs (up to \$1,000) with pre- and post- leakage tests to confirm effectiveness of mitigations.
4. Must improving existing attic insulation to \geq R-44, wall insulation to $>$ R-13 (for 2x4 wall construction) or $>$ R-19 (for 2x6 wall construction), and floor insulation to \geq R-25. Limit of \$1,000 combine for all insulation.
5. Existing windows must be single pane or (if dual pane) over 20 years old.
6. New windows must be National Fenestration Rating Council (NFRC) rated with proof of this provide and have a U-value $<$.03

Program Terms

- Services performed more than 90 days prior to application are not eligible.
- Applicant must be a current electric or water customer with an active TDPUD account to be eligible for rebates.
- Application must include detailed and dated sales receipt, eligible equipment or service(s) clearly identified.
- Application must include contractor invoice, with contractor name, address and license number clearly identified.
- Application must include photos of newly installed windows, building envelope and/or central air distribution mitigation and repairs, as appropriate.
- Rebates are issued to the account holder as a one-time credit to active TDPUD account. Credits are typically applied within 6-8 weeks of TDPUD receiving the application.
- If account holder is a landlord and account is inactive at the time of rebate issuance, a check will be mailed to the address on file.
- Rebates are limited to (1) rebate type per account.
- Rebates for Misc. weatherization measures are eligible once annually
- Rebate not to exceed the cost of equipment and professional labor.
- Customer agrees to allow verification of installation by an authorized District representative if requested.
- "Before" photo of item in place must be submitted with rebate application clearing showing damage.
- "After" photo of new installed item must be submitted with rebate application showing repairs.
- This rebate application must be signed and dated.

TDPUD disclaims all liability from taxes incurred or any property damage or loss that may arise as a result of the applicant's participation in this program. The rebate offer may be discontinued or modified at any time by TDPUD. Applicant certifies that the above noted appliances(s) and or equipment will be installed at the TDPUD service address identified on this application. I have read, understand and agree to abide by the program rules, requirements and terms & conditions. I certify that the information provided on this application and associated required documentation is true and correct.
