

**ASPHALT MAINTENANCE SEAL AND STRIPE 2025
CLARIFYING RESPONSES NO. 3**

This Clarifying Response NO. 3 consists of 1 pages (1 - 8.5" x 11"). It is the responsibility of the proposer to assure and guarantee that the proposer has received the response in its entirety, and that they accept all conditions contained herein.

Question: 1. Do you have a map available with the boundaries for the seal coat treatments for the listed addresses. There are no boundaries for the locations to accurately estimate them.

Answer: A map or maps are currently not available with the boundaries for the asphalt maintenance areas for the listed addresses.

Square footage estimates and linear footage estimates are provided within the bid document however, the estimates provided are "estimates only" and are to be verified by interested bidders for each location.
