**Section 2.** Inflation Adjustment (IA) - Commencing on January 1, 2020, Electric Connection Fees shall be adjusted annually each fiscal year and successive years to reflect the impact of inflation upon the fees. Such inflation adjustments shall be based on the December value of the Engineering News-Record 20-City Construction Cost Index (ENRCCI). The ENRCCI value for December, 2019, shall be used as the baseline for the Electric Connection Fees that become effective on January 1, 2020. The change in ENRCCI from December, 2019 to December, 2020 shall be used to calculate the Electric Connection Fees that become effective January 1, 2021. Successive years shall utilize a similar calculation.

**Section 3.** This ordinance shall take effect on September 1, 2018, after adoption by the Board of Directors of the District.

**Section 4.** The Clerk of the District shall cause a copy of this ordinance to be published in a newspaper of general circulation and be made available during regular business hours.

**Section 5.** The provisions of other ordinances shall remain in effect to the extent that they do not conflict with this ordinance.

**PASSED AND ADOPTED** by the Board of Directors of the Truckee Donner Public Utility District at a meeting duly called and held within the District on the sixteenth day of May, 2018 by the following roll call vote:
