(Also, I think you're doing a great job and the hit piece in Moonshine Ink was absurd, shoddy journalism.)

Hi! I hope I'm not too late.

I just wanted to voice my support for the excellent job the current PUD Board is doing and their choice of Bryan Wright as the new GM. I appreciate the speedy and thoughtful process they've used to identify the best candidate for our community.

Bryan is a great choice! The 72% approval rating the PUD received in their community survey is a reflection of the work Bryan has done including extensive public outreach to inform the PUD's new strategic plan.

I believe the PUD shares my passion for moving our community to sustainable and renewable energy sources and I trust Bryan to manage this complex and exciting transition.

Best,

Tanya Africa
