Hello, Shanna!

Please read my comment for agenda item #10, the consideration of the GM contract, in today's meeting.

Thank you!

David

Dear Truckee-Donner PUD Board,

I want to congratulate the Board on the selection of Brian Wright as your new GM.

I'm not only confident that Brian will bring solid leadership to the PUD, I'm equally confident that the five of you offer the perfect balance of perspectives Brian will need to become an outstanding GM, trusted and respected by PUD staff, the public we serve, and yourselves.

Together, you can ensure our PUD remains a functional, respected agency.

As elected officials, we work for the people of one of the world's outstanding regions. They voted us in, and they entrust us to make good decisions on their behalf.

You have a solid foundation now from which to move forward, so let's move forward. Let's work together as agencies, always in deference to the will and the benefit of the people whom we serve.

On a more personal note, thank you from this Prosser Lakeview resident for whatever magic the PUD crews did a few years back to improve our service reliability. When I see your field crews, I smile and wave, because I no longer fear big winter storms.

David Diamond
VP, Truckee Tahoe Airport District
