Dear Shanna:

I am writing with a public comment for tonight's PUD Board Meeting.

I strongly support the selection of Bryan Wright as General Manager. The Board of Directors made the right decision in selecting someone with an established record of successful management.

Mr. Wright's management of the PUD during a difficult time has been exemplary. The PUD ran a successful strategic planning process with extensive community input during a pandemic while keeping our lights on and water flowing. That's was a huge accomplishment..

I look forward to supporting the Mr. Wright and the PUD in their move to a more sustainable future for Truckee.
